

# Convention Grant Application Tips and Tricks

## BE THOUGHTFUL

Take time with your application and give thought to what you really want to get out of convention beyond a fun weekend.

## SERVICE COMES IN MANY FORMS

SAI involvement is not only holding an office in your chapter. Did you serve on a committee? Participate in a fundraiser? Create a page for your chapter scrapbook? Submit an update to *Tempo*? We want to hear about all of it!

## BE PERSONAL

Show us a glimpse into you with your application and stand out from the crowd.

## HAVE A PLAN TO COVER ADDITIONAL EXPENSES

Beyond registration, there are numerous costs associated with attending convention including: transportation, meals, hotel and tips, additional activities. Make sure you have a plan to cover these expenses.

## BE THANKFUL

We are excited to meet all the grant recipients at convention. Please come say hi to a member of the SAI Philanthropies Board!
