

# PAN'S LEGACY

Sigma Alpha Iota Philanthropies, Inc. acknowledges the names of the members who have included SAI Philanthropies in their estate plans, becoming part of PAN'S LEGACY via bequests. When you give to SAI Philanthropies through your estate, you support long-standing efforts toward music outreach and education and future projects with developing technologies. The mural at National Headquarters honors the growing number of PAN'S LEGACY members with brass plaques. A Statement of Intent to establish your estate donation to SAI Philanthropies may be downloaded from the SAI website, [sai-national.org](http://sai-national.org).
